## BARRE DAILY TIMES

FRIDAY, APRIL 13, 1906.

They're off—the ball players.  
Granite, or what shall it be?  
It's come again—Friday the thirteenth.

There is really nothing more mournful than the tale of domestic infidelities as told in the divorce court.

With the exception of Burlington and Barre Town the license communities in the state have not many applications for the privilege of selling liquor this coming year. In some cases there are more licenses to give out than there are

DR. GREENE'S  
NERVURA

BUILDS HONEST STRENGTH

The woman who does her own work and takes care of children has need of all her strength. All around us there are examples of what overwork will do. It overtaxes the nerves too, and then trouble begins.

Dr. Greene's Nervura is the great strengthener for overworked women. It gives them strength from their food and strength from perfect rest at night. It regulates the nerves and builds up in every way.

Take Dr. Greene's Nervura blood and nerve remedy this spring, for now of all times it is most dangerous to neglect your health, and the system is always under strong and vigorous by this perfect spring medicine.

Remember the great advantage of having your medicine put up by Dr. Greene, a regular practicing physician, who guarantees his Nervura and will stand behind it at all times. Dr. Greene himself will give free consultation and advice, personally or by mail, at his office, 24 Temple Place, Boston, Mass., to all who use Nervura, or contemplate its use.

applicants, and even in Rutland there are only 21 applicants on eleven chances.

Maxim Gorky's second statement that he came to the United States to cure his consumption will read better in the recollection of Russia than his first, which stated that he was here to work for the freedom of Russia.

Various contemporaries are again giving their readers advice to make the usual spring clean-up about their premises. If more care were exercised during the winter period these spring cleanings would not be necessary. But since house-holders refuse to care, then it becomes necessary to clean up. Therefore, do it.

Senator Bailey's great oratorical effort in the national Congress this week recalls to Barre people the expression of confidence by Congressman Chambo Clark on a Barre platform that sooner or later Bailey of Texas would be of presidential timber. Even Republicans admit that he is "growing" but they add that when he came to Washington he had "Texas gumbo" on his clothes.

the body, don't dose it with medicine. Scott's Emulsion is the best nourishment in existence. It is more than a food; you may doubt it, but it digests perfectly easy and at the same time gets the digestive functions in a condition so that ordinary food can be easily digested. Try it if you are run down and your food doesn't nourish you.

## A FINE EXHIBITION.

Schaefer of Chicago Beat Cutler of Boston in Billiards.

New York, April 13.—Jacob Schaefer of Chicago gave a fine exhibition of billiards last night, defeating Albert G. Cutler of Boston, 500 to 386, in the seventh game of the world's championship 18.2 tournament. He ran out in 18 innings, with the high average of 31.4-16, his most fruitful inning being the 14th in which he made a run of 124. Cutler's highest run was 61 and his average 24.6-15.

George Slosson defeated Ora Morningstar 500 to 388. Morningstar played excellently during the early innings. Slosson played poorly up to the 15th inning, when he made 18, his first double figures. At the end of that inning Morningstar led 214 to 58. Slosson made a splendid sput in the 29th inning with a run of 153, the highest of the tournament, and followed up with 108 in the 30th inning. Slosson won with an unfinished run of 25 in the 32nd inning. His average was 15.2-32, high runs, 153, 108 and 40.

## GORKY'S HEALTH.

Has Only Slight Trouble With Pulmonary Attack.

New York, April 13.—Maxim Gorky, the Russian patriot and revolutionary who is here, gave out this statement last night:

"I have a slight pulmonary attack, but it neither causes me inconvenience nor embarrasses me in my work. I have no apprehensions as to my condition."

"I am an enemy of Russia's government; I have been a revolutionist since I was 19 years of age, and have no apology to make for my attitude. I come to this country to collect money to help the Russian revolutionary movement. I shall soon celebrate my 20th anniversary as a revolutionist."

"I came to America because it is the most democratic country on the globe and I believe Russia is destined ultimately to stand next to America as the land of democratic ideas. I shall be all I can to arouse American interest and call out American sympathy and my success in giving it a concrete form will determine my course while in this country."
